

AGREEMENT BETWEEN  
UNIVERSITY OF INDIANAPOLIS  
AND  
IVY TECH COMMUNITY COLLEGE  
FOR THE TRANSFER OF CREDITS EARNED IN THE  
ASSOCIATE OF SCIENCE IN COMPUTER INFORMATION SYSTEMS  
INTO THE  
BACHELOR OF SCIENCE IN  
COMPUTER INFORMATION SYSTEMS

The purpose of this agreement is to provide a framework for the transfer of credits earned in the Associate of Science in Computer Information Systems at IVY TECH COMMUNITY COLLEGE to the Bachelor of Science degree program in Computer Information Systems at UNIVERSITY OF INDIANAPOLIS.

The faculty of both institutions have worked together to develop the attached listings of course equivalencies, course requirements for the associate degree, and course requirements for the completion of the baccalaureate degree. The agreement is in effect for courses taken beginning fall 2010. This agreement will be reviewed every 2 years by representatives of both institutions.

All course work taken prior to Fall 2010 will be evaluated by faculty of UNIVERSITY OF INDIANAPOLIS faculty to determine transferability of the course work. This agreement, including any modifications, may be reviewed by either institution upon request. Both institutions agree to keep the other aware of curriculum changes as they occur. While both parties to the agreement understand its purpose is to maximize transfer opportunities for students, they also recognize that limits may be placed on courses accepted under the provisions of this agreement, should the student subsequent decide to change to another program not covered by the agreement.

IVY TECH COMMUNITY COLLEGE transfer prospects must meet the same admission standards and be required to fulfill the same academic and curricular requirements as other transfer applicants to UNIVERSITY OF INDIANAPOLIS. A course grade of "C" or better must be earned at Ivy Tech Community College for the credit to be accepted at the University of Indianapolis. All students transferring course credit from Ivy Tech Community College to the University of Indianapolis will do so via official transcripts. **Participation in this program will only be open to students who earn an Associate of Science degree while majoring in the Computer Information Systems at IVY TECH COMMUNITY COLLEGE.** Upon enrolling at the UNIVERSITY OF

INDIANAPOLIS, program participants will be admitted as third year students in the Computer Information Systems program.

Agreed to this 7<sup>th</sup> day of April, 2010.

**The transfer policies of the University of Indianapolis are as follows.**

1. Credit earned through courses taken at other regionally accredited colleges or universities is transferable to the University of Indianapolis. Courses are individually evaluated, and normally a course is accepted if a grade of C- or better has been earned and if the course is applicable to a program of study offered at the University of Indianapolis. (The following exceptions should be noted: Basic writing and English composition are transferable only if a grade of C or above has been earned. In addition, some academic programs require C or above grades in all major courses. Any course with a grade below a C would not be transferable into these programs.)
2. Transfer credit is awarded only for courses that have traditional letter grades (e.g., A, B, C) or have grades or scores that are certified on the transcript as representing a grade of C- or above.
3. No transfer credit is granted for credit that another college or university has awarded for placement or proficiency examinations or for self-acquired competencies.
4. No official evaluation of transfer credit will be made until the student has applied, but the registrar or key advisors will discuss general issues of transfer credit with any student or prospective student.
5. The key advisor or program director in each academic unit evaluates transfer work in cooperation with the deans and chairs. Credit awarded in transfer for one program may not apply to another program; therefore, the transfer work will be reevaluated if the student changes majors.
6. Transfer credit appears on a student's academic record, and the hours are included in the student's earned hours. Grades are not transferable and will not appear on the student's record or be calculated into the grade point average.
